Our Commitment

Since the start of last year, the Partially Sighted Society has printed over 1 million pages for students with visual impairments across the United Kingdom.

We strive to develop new and innovative ways to keep young people engaged and included with their schooling as well as delivering these products to the highest possible standards.

During our 50 years in existence we have built a wealth of knowledge and experience of the vast spectrum of visual impairments that affect over **100,000** children and young adults in the UK alone.

We believe that every child has the dignity and right to a full and proper education, regardless of their diagnosis and we are here to help make that possible.

The Partially Sighted Society caters to all individuals who call upon us for assistance and we have a duty of care to ensure that no one is left behind because of their vision.

That is why we offer our services to society's most isolated and vulnerable people. From support groups to holistic eye assessments and tests from industry leaders; you can count on the Society to be there when you need us.

Placing Orders

E-mail to: reception@partsight.org.uk
Online: www.partsight.org.uk/shop
By post to: 1 Bennetthorpe, Doncaster DN2 6AA
Phone enquiries: 01302 965195

Please quote Purchase Order Numbers on invoices. Please also include teacher's name or department.

If you wish to checkout online and do not wish to pay with PayPal, follow the guide below to pay with your institution's Debit or Credit Card.

When you have placed an order, we will send your order to you via Royal Mail “signed for”, which carries a small charge.

Please note that we can only accept payment in English Sterling and within 30 days unless by prior arrangement. Beyond 30 days interest charges may be applied.

Our aim is to despatch within five working days where possible. However, seasonal trends and holiday periods can affect this, so delivery may take longer than anticipated.

**PLEASE INFORM US ABOUT YOUR SCHOOL'S HOLIDAY DATES
TO ASSIST US IN DESPATCHING YOUR ORDER.**

Free V I Assessment Packs

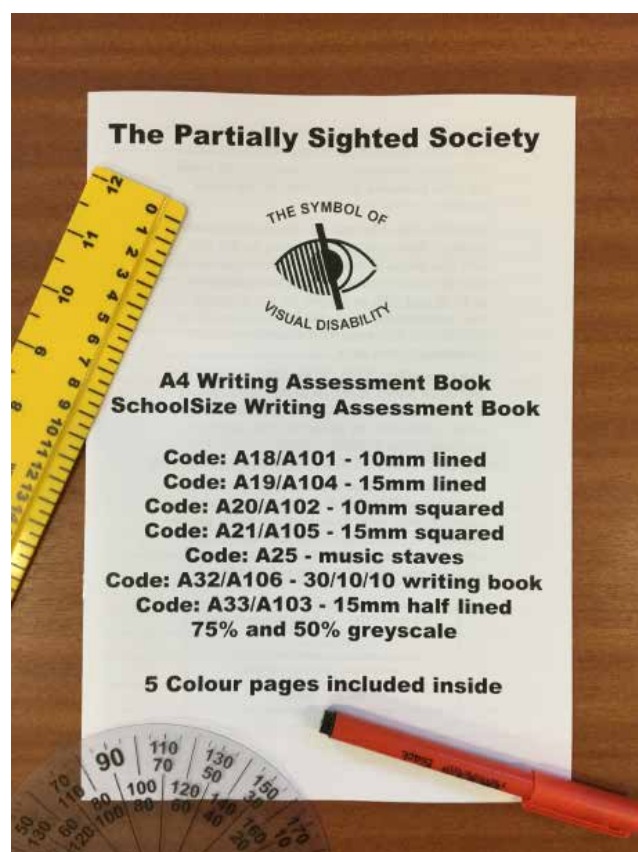

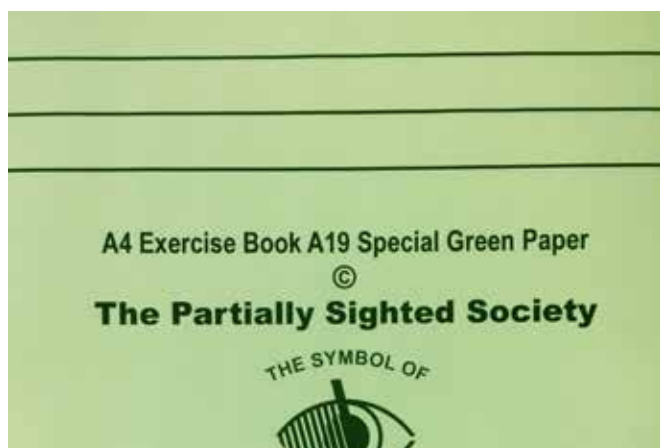

The Partially Sighted Society has developed a Visual Impairment Assessment Pack which enables the student to choose the appropriate stationery for their particular needs. These packs include:

- a) Writing Assessment Packs (A4 and school size) which can be used to determine the preferred stationery type for use in the classroom;
- b) Coloured Paper (A4 and School size) Writing Assessment Book which can be used to establish the visually impaired pupil's preferred background colour.

The resources listed above will enable QTVI to accurately determine the preferred stationery type needed by the visually impaired pupil by involving the pupil in the decision process thereby ensuring the correct books are ordered for their particular visual impairment and therefore avoiding unnecessary or wasteful stationery expenditure. Once a bespoke package has been established for the low-vision pupil, this information can then be relayed to the Society who will provide the specified combination. Also included in the pack will be a copy of this catalogue of products currently offered by The Partially Sighted Society.

Should you wish to obtain a copy of the free Visual Assessment Pack identified above could you please contact:

Assessment and Therapy Service

The Partially Sighted Society provides a free enhanced low-vision assessment service from our modern and comfortable premises in Doncaster. We can also provide a sight test from our fully equipped optometry facility and work with optometrists who are highly experienced in the field of low-vision. We offer advice, support, equipment and training to anybody with a visual impairment in order to help them to continue to live active, independent lives after sight loss.

What else do we do?

The Partially Sighted Society provides Visual Awareness training to professionals and carers, either in-house or at the client's premises, has monthly support group meetings, provides computer and technology training and is active socially as well as on Facebook and Twitter. We also have an inhouse printing facility where we produce heavy lined stationery for both schools and the public

We are located at 1 Bennetthorpe, Doncaster DN2 6AA. If you cannot visit us, please phone us at **01302 965195** to ask for an appointment for an assessment or to order items from our catalogues. You can also find us online at **partsight.org.uk** where you can find information about us, what's going on and to order something you require. We look forward to hearing from you!
