# Symbol items

The shaded eye symbol was commissioned by the Partially Sighted Society in the early 1980s for use as its logo. In 1982 it was accepted by the Northern European Sector of the World Health Organisation as the International Symbol of Visual Disability.

The Society has used the symbol in various ways so that people have a way of indicating that they have a visual impairment and may need assistance.

To celebrate Her Majesty The Queen's Platinum Jubilee, we are delighted to announce that we have a brand new selection of Royal themed large piece jigsaw puzzles. Elegant and beautifully crafted, these puzzles are a perfect gift for a loved one who wishes to celebrate Her Royal Highness' unparalleled 70 years on the throne.

**(Only while stocks last)**

# Piecing Together Jigsaw Puzzles

The Piecing Together Collection was created to provide those living with dementia, limited fine motor skills or severe visual impairment.

The images on these puzzles were chosen specifically to evoke fond memories from years gone by to spark conversations with loved ones and reminisce around topics that may be long forgotten.

These puzzles are available in 12 (XXXXL) and 40 (XXXL) pieces to suit different abilities and the large, thick, easy to handle pieces are made using 100% recycled board.

# Jigsaw Puzzle Puzzle Organiser

The Jigsaw is a simple solution to the problem of managing similar colour or content puzzle pieces. The puzzle pieces can be sorted in the trays.

The trays stack on top of each other so all the puzzle pieces are easily accessible.

The pieces are held securely in the trays minimising the likelihood of losing a piece.

- Easy to use and organise
- Largest tray size is 36cm x 26cm
- Insert in each tray to move groups of pieces easily out of tray
- 7 Trays
- Jigsaw pieces shown in the above photograph are not included

## Help us to help

The Partially Sighted Society is a charity that is funded entirely by public donations. If you would like to join us as a supporter for only £20.00 a year you can be assured your donation will be put to good use, providing assessments, support and training for people with a visual impairment. There are other ways to donate, such as a small monthly debit order, a one off donation or you can secure our future with a legacy in your will. Any amount, great or small is hugely appreciated.

**To make a donation to join as a Friend of PSS  
call 01302 965195.**

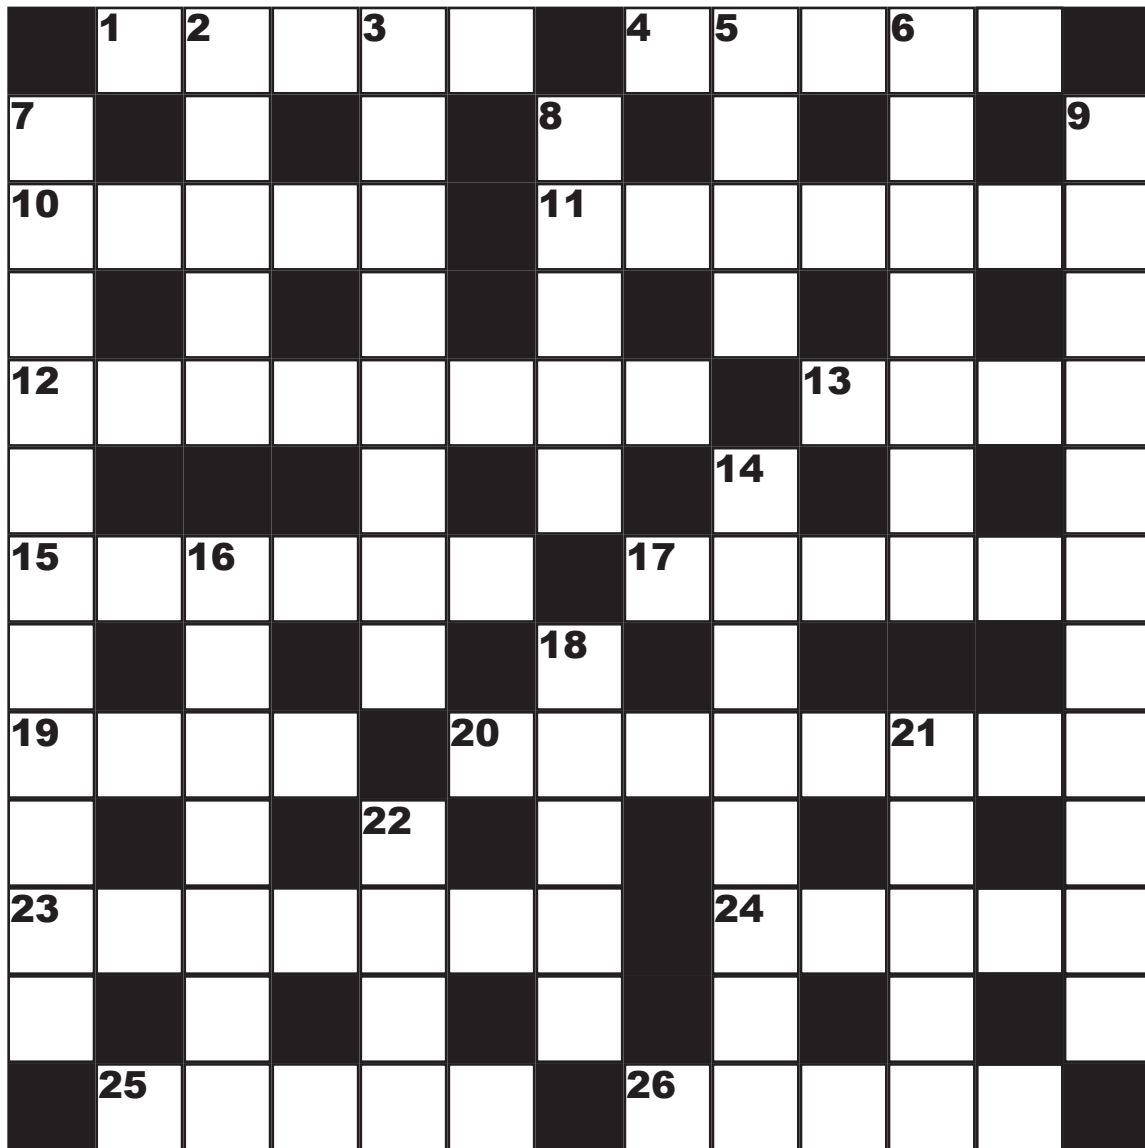

**Your help will be greatly appreciated.**

# The Partially Sighted Society

The Partially Sighted Society is a national charity based in Doncaster, South Yorkshire. We are a small team who are passionate about providing advice, support, aids and equipment to anybody living with sight loss. To do this we have a range of services from our fully equipped sight centre in Doncaster.

## Assessment and Therapy Service

- The Partially Sighted Society provides a free enhanced low vision assessment service from our modern premises in Doncaster. The aim of this service is to provide training, aids and equipment to make the best use of the remaining vision.
- Running parallel to the assessment service we provide a sight test from our fully equipped optometry facility and work with optometrists who are highly experienced in the field of low vision.
- We offer general advice, support, equipment and training via telephone, email or in person to anybody with a visual impairment in order to help them to continue to live active, independent lives after sight loss.

## Specialist Printing Services

- The Partially Sighted Society has an in house printing department where we design and print bold-lined exercise books and other stationery for use in education. These books can be custom-designed to suit the visual impairment and are available with different coloured paper, coloured covers for inclusivity, and different line weights.
- We also design and print diaries, calendars and other stationery for personal use.

## What else do we do?

- The Partially Sighted Society provides Visual Awareness training to professionals and carers, either in-house or at the client's premises.
- Monthly support group meetings
- Active socially as well as on Facebook and Twitter
- An in-house printing facility producing heavy lined stationery for both schools and the public alike

Find us at 1 Bennetthorpe, Doncaster DN2 6AA or phone us at **01302 965195** to ask for an appointment for an assessment or to order something from our catalogues. You can also find us on the internet at **[www. partsight.org.uk](http://www.partsight.org.uk)** where you can find information about us, what's going on and to order something you require. We look forward to hearing from you!

## Assessment and Therapy Service

- The Partially Sighted Society provides a free enhanced low vision assessment service from our modern premises in Doncaster
- We provide a sight test from our fully equipped optometry facility and work with optometrists who are highly experienced in the field of low vision
- We offer advice, support, equipment and training to anybody with a visual impairment in order to help them to continue to live active, independent lives after sight loss

# Help us to help

The Partially Sighted Society is a charity that is funded entirely by public donations. If you would like to join us as a supporter for only £20.00 a year you can be assured your donation will be used to provide assessments, support and training for people with a visual impairment.

To make a donation add the product code: **1DON** to your order or to join as a supporter call 01302 965195.

Your help will be greatly appreciated.

**Thank you.**

## ***Gift Aid your Donation!***
