## **PLEASE NOTE: Before Ordering**

Please quote Purchase Order Numbers on invoices. Please also include teachers name or department that items are intended for on order.

If you are placing an order, please check with your administration or school office that you have authority for making purchases so we can avoid delays in settlement of our invoices.

Please can you send orders on your official letterhead or purchase order form from school/department and send by one of three ways at top of this page.

When you have placed an order, we will send your order to you signed for, which carries a small charge.

Please note that we can only accept payment in English Sterling and within 30 days unless by prior arrangement. Beyond 30 days interest charges may be applied.

Supply of the majority of items is ex-stock and our aim is to despatch within five working days where possible. However, seasonal trends and holiday periods can affect this, so may take longer than anticipated.

**PLEASE NOTE: REMEMBER TO TELL US ABOUT SCHOOL HOLIDAY DATES FOR THE SCHOOL, (CLOSING AND OPENING) AND WHETHER ANY DELIVERIES CAN BE MADE IN THESE PERIODS.**

**Any goods or stationery incorrectly ordered cannot be returned. If you are unsure about your order please call us on 01302 965195. Thank you.**

# **V I Assessment Packs**

The Partially Sighted Society has developed a Visual Impairment Assessment Pack which enables the student to choose the appropriate stationery for their particular needs. These packs include:

- a) Writing Assessment Packs (A4 and school size) which can be used to determine the preferred stationery type for use in the classroom;
- b) Coloured Paper (A4 and School size) Writing Assessment Book which can be used to establish the visually impaired pupil's preferred background colour.

The resources listed above will enable QTVI to accurately determine the preferred stationery type needed by the visually impaired pupil by involving the pupil in the decision process thereby ensuring the correct books are ordered for their particular visual impairment and therefore avoiding unnecessary or wasteful stationery expenditure. Once a bespoke package has been established for the low vision pupil, this information can then be relayed to the Society who will provide the specified combination. Also included in the pack will be a copy of this catalogue of products currently offered by The Partially Sighted Society.

Should you wish to obtain a copy of the free Visual Assessment Pack identified above could you please contact:

# Assessment and Therapy Service

The Partially Sighted Society provides a free enhanced low vision assessment service from our modern and comfortable premises in Doncaster. We can also provide a sight test from our fully equipped optometry facility and work with optometrists who are highly experienced in the field of low vision. We offer advice, support, equipment and training to anybody with a visual impairment in order to help them to continue to live active, independent lives after sight loss.

## What else do we do?

The Partially Sighted Society provides Visual Awareness training to professionals and carers, either in-house or at the client's premises, has monthly support group meetings, provides computer and technology training and is active socially as well as on Facebook and Twitter. We also have an inhouse printing facility where we produce heavy lined stationery for both schools and the public alike.

Find us at 1 Bennetthorpe, Doncaster DN2 6AA, phone us at **01302 965195** to ask for an appointment for an assessment or to order something from our catalogues. You can also find us on the internet at **[www. partsight.org.uk](http://www.partsight.org.uk)** where you can find information about us, what's going on and to order something you require. We look forward to hearing from you!
