A CUPPA WITH **2019 Sessions** **with health and social care** **professionals.**

These sessions give you the chance to ask questions in an informal setting, sitting around the table with a cuppa and a biscuit and there is always time at the end to have a private chat if that's what you would prefer. It would be helpful if you could pre-book but this is not essential.

We have the following sessions arranged over the coming months and you would be welcome at any or all of them. More dates later in the year to be added.
