VISUAL IMPAIRMENT AWARENESS TRAINING DATES FOR 2019

Thurs 13 June

Mon 23 September

Are you a carer/family member or professional living/working with someone with a visually impairment? If so, this one-day course will give you more of an understanding of what it is like to live with sight loss and how to guide and support someone with a visual impairment.

This is a full day course which will incorporate information on the main causes of visual impairment with practical tasks whilst wearing simulator spectacles and sighted guide training facilitated by our own Low Vision Therapist.

To keep costs down only light refreshments are provided, but delegates are welcome to bring their own lunch or can order from a local sandwich shop.

Cost: Professionals: £40.00 per person (excluding VAT)

Carers/family member: £25.00 per person (excluding VAT)

Payment is required on booking. Cancellation procedure applies.

Private training sessions for your organisation

We can also facilitate courses for your staff on dates to suit you and in your own venue if required. For bookings within a three-mile radius of our venue no travel expenses are incurred. Please call for details.

Businesses whose staff attend this course will be provided with a laminated 'eye' symbol sign stating that they are 'Visually Impaired Aware' to display.

Please call 01302 965198 or email
